100 SERIES

The Grafitack 100 series is a range of flexible monomeric calendered PVC films for all short and medium term outdoor applications (up to 5 years) on an even surface.

The Grafitack 100 series, supplied on a 120 gram silicone release liner, comes in a gloss or matt finish. It is provided with a solvent based permanent acrylic adhesive, which guarantees perfect adhesion for all applications.

The Grafitack 100 series is perfect for commercial use on shop windows, party decorations, seasonal offers, publicity panels, etc... It can also be used for many kinds of indoor applications, such as sign making in shops, at trade shows, in warehouses, etc...

A magnificent and modern pallet of matt and glossy colours enables you to create the most stunning publicity.
