

WALL & CEILING

NON-WOVEN DESIGN2WALL AQUA 180

matt 2510, 180 g/m^2

High quality non-woven wallpaper for waterbased pigment inks

The Non-woven design2wall Aqua 180 matt is a high quality non-woven wallpaper for printing with waterbased inks and is characterised by high colour brilliance, opacity and dimensional stability. It can be pasted using standard non-woven wallpaper paste, however to maintain the high colour brilliance and scratch resistance, the wallpaper should first be protected using a liquid laminate. It is flame retardant and certified.
